Eligibility for Scholarship Award:

To be eligible for the Automobile Technology Student Scholarship

The applicant must be a senior at a Brevard County High School and be enrolled in the school's automotive technology curriculum.

The applicant must have a current weighted GPA of 3.0 or higher in Automobile Technology courses. This GPA must be submitted with signature of the appropriate High School Counselor. The information will be verified by phone.

The applicant must have a current weighted overall GPA of 2.5 or higher. This GPA must be submitted with signature of the appropriate High School Counselor. The information will be verified by phone.

To receive the tuition assistant, the applicant must meet the requirements and plan to be enrolled in a private or public, academic or vocational, post-secondary educational institution. Attendance at this institution must begin within 12 months of acceptance of this award.

Process:

The application includes: Information Sheet, Essay, and three References consisting of (1) the applicant's automobile technology instructor, (2) a teacher or counselor (other than the auto tech instructor) and (3) a community acquaintance.

Applications must be received by the Antique Auto Club of Cape Canaveral before midnight on April 16, 2021. It may be scanned and submitted electronically to scholarship@AntiqueAutoClubcc.com, hand delivered to a club board member or mailed to:

AACCC Scholarship Chairman
P. O. Box 27
Cocoa, FL 32923-0027

The AACCC scholarship committee will determine the winner

The winner will receive financial assistance to be used for post-secondary or additional vocational education. The final award will be determined by the AACA Board of Directors and will be based upon the number of scholarships awarded against the allocated budget. The check will be provided to the post-secondary education institution identified by the applicant-winner when the AACCC received his/her student identification number.
